Greetings Leonard,

The attached letter and enclosures are being sent to you on behalf of EPA Region 8. The EPA R8 Underground Injection Control (UIC) Program would like to invite you to consult on revised draft permits for injection wells and associated draft documents related to the proposed Dewey-Burdock uranium in-situ recovery site in the southern Black Hills region near Edgemont, South Dakota.

If you are interested in meeting with the EPA, please reply to Valois Robinson of the EPA R8 UIC program. Ms. Robinson can be reached at 800-227-8917 (extension 312-6276) or 303-312-6276. She may also be reached by email at [robinson.valois@epa.gov](mailto:robinson.valois@epa.gov).

If you have any questions, you may also respond to this email directly; we will be happy to convey questions or comments to EPA.

Thank you,

Galen Laurence
